

THE KNABE-AMPICO REPRODUCING PIANO

THROUGH this perfected instrument of musical reproduction, the world's greatest pianists will play for you in the intimacy of your own home, as if they were your personal friends. The Knabe-Ampico gives you not merely the playing of Bach, Bauer, Busoni, Carreno, D'Albert, Godowsky, Goodson, Greig, Hofmann, St. Saens, and the other great masters of the pianoforte, but, through the rolls they have played for us, and whose rendition they approved, it gives their individuality of expression, their poetic appeal—just as it flows into their music.

*The World's Great Composers and Musicians
Live Forever in the Knabe-Ampico*

The Knabe-Ampico opens to you the utmost possibilities of music, not only melody, harmony and tempo, but the inspired genius and personality with which these artists imbue their music. They play for you themselves. No pumping or personal attention required. In addition, the Knabe-Ampico may be played by hand as the ordinary piano, and with any standard 88-note roll.

The Knabe-Ampico Grand, \$1800 Uprights, \$1200 and \$1150

**HOTEL
BELLECLAIRE**
NEW YORK
Broadway at 77th St.
Surfside
Cafe at
Door
Subway at 79th St.
Only a few minutes
from the Shopping
and Theatrical
District.

A gentleman of international ex-
perience in hotel life has been living
at the BELLECLAIRE for ten
years and this is what he says:
"I am very much pleased with my
room. It is always kept in fine order.
I have a fine view from it, overlooking
the Hudson.
"I am very careful about my
eating because I am compelled to
be, owing to a case of dyspepsia
which I developed while engaged in
business by eating hurried and irreg-
ular lunches.
"But I can always get what I
want to eat here. The food is ex-
cellent and splendidly cooked. I get
the finest kind of service.
"I travelled extensively while in
business—stopping always at the
best hotels in Europe and in this
country. The house I represented
always insisted that its people should
stop at the best hotels, the theory
of the boss being that the dignity
and character of the house was better
sustained if his representatives mingled
among nice people.
"I formed the habit of living at
the best hotels, therefore when I
wanted a good home, with comfort,
I made up my mind that the
BELLECLAIRE would fill the bill.
I came here and have been here
ever since. I like the life here. The
guests are friendly. The manage-
ment is very courteous and consid-
erate."
This is a statement which makes
it worth while to work hard to run
a hotel right.

ROBERT D. BLACKMAN.
